

**AFRICAN-JEWISH
CHAMBER OF COMMERCE**
Building Bridges. Creating Opportunities.
Transforming Economies.

CONNECTING AFRICA & ISRAEL THROUGH TRADE, INVESTMENT & PARTNERSHIP

The African-Jewish Chamber of Commerce (AJCC) is an African continental business chamber and international Jewish business consortium dedicated to building meaningful economic relationships between Africa, Israel, the African Diaspora and the global Jewish business community.

We bring together businesses, entrepreneurs, investors, institutions and strategic partners to create opportunities for trade, investment, innovation, financing and sustainable economic development.

AJCC believes that strong relationships create strong economies. By connecting people, businesses, ideas and capital across borders, we seek to unlock opportunities that benefit communities and nations.

OUR MISSION

To promote and strengthen business relations between African firms and their Jewish counterparts for mutual economic benefit.

We facilitate collaboration, partnerships, investment and commercial opportunities that create value across Africa and Israel.

OUR VISION

To create, develop and advance a Continental African-Jewish Renaissance through modern nation-building approaches, science, technology, commerce and strategic economic collaboration.

OUR PURPOSE

**Connecting people.
Connecting businesses.
Connecting opportunities.**

AJCC serves as a platform for meaningful engagement between African and Jewish business communities, creating a pathway for ideas, investments, expertise and opportunities to move across borders.

OUR OBJECTIVES

TURNING CONNECTIONS INTO OPPORTUNITIES

The African-Jewish Chamber of Commerce exists to build practical bridges between business communities and create an environment where partnerships can thrive.

01

PROMOTE TRADE

Create opportunities for businesses in Africa and Israel to establish commercial relationships and expand into new markets.

02

FACILITATE INVESTMENT

Connect investors, entrepreneurs and businesses with strategic investment opportunities across Africa and Israel.

03

BUILD STRATEGIC PARTNERSHIPS

Develop relationships between businesses, governments, institutions, investors and other stakeholders to encourage sustainable economic cooperation.

04

SUPPORT BUSINESS GROWTH

Provide a platform through which businesses can access networks, opportunities, knowledge and strategic connections.

05

ENCOURAGE INNOVATION & TECHNOLOGY

Promote the exchange of ideas, technology, expertise and innovative solutions that can contribute to economic transformation.

06

STRENGTHEN AFRICA-ISRAEL RELATIONS

Create stronger economic and commercial links between African nations, Israel and the wider Jewish business community.

07

MOBILIZE ECONOMIC RESOURCES

Leverage international networks, financing opportunities and partnerships to support productive economic activities and development.
